

The following message is to inform Charleston based SPAWAR Systems Center employees of the work schedule for Thursday 13 September.

For SSC Charleston and satellite activities normal working hours are in effect for Thursday, 13 SEP 01.

Annual leave at discretion of supervisors will be approved upon request.

For SSCC personnel Gate 4 (Remount Rd. at Tank Rd.) will be open limited hours.

Food services will be limited so plan accordingly.

Base entry requires DOD ID and vehicle decal. Expect delays!

Gate 1 (Main gate at Redbank Rd.) remains the only 24-hour entry point to the South Annex.

Parking will be in accordance with the Security Plan. Please cooperate with instructions provided on site.

Questions may be addressed to the Emergency Command Center.

Previously established security procedures for lower FPCON levels remain in effect. Report all suspicious activity to the appropriate law enforcement agency.
